Dear Parents/Guardians

School Council

A School Council is a body of pupils set up to represent all pupils on issues that affect them.

Would you like to be on the School Council? Do you think that you could make a difference? Have you got a voice that needs to be heard? Then St Nicholas C of E Primary School needs you!

We will be holding an election on **Tuesday 7th December** to find a year group representative from Year 1 to Year 6. Each councillor has to ensure that the views of all of the children in their year are heard. They must be willing to work hard to find ways of collecting the ideas and suggestions of the rest of the school. They should be willing to meet once a month to talk about any issues that have been raised by the children in their year.

If your child would like to stand for election then they must write a short speech to explain why they should be their year group representative. They should be willing to stand up and share this with the other children on **Tuesday 7th December**. A vote will then take place and our school council will be chosen.

What makes a good school councillor? A good councillor should be: a good listener; trustworthy; happy; helpful; committed; honest; reliable; able to work in a team; want to make changes; confident; good talker; caring; have good ideas.

We look forward to working with the children this year to make a difference to our school.

Miss Asker
