## Our golden thread this half term is

### *Confident Communicators*

We want our children to be able to express themselves clearly and confidently when speaking to different audiences; including their peers, other children around school, staff and visitors. To further develop our speaking and listening skills we will provide a range of opportunities, including: drama, responding to stories with opinions, sharing news from home etc.

### **Some areas we will cover this half term...**

- Maths: counting and ordering numbers.
- English: exploring colours and emotions through 'The Colour Monster' stories.
- PSED: Forming new relationships, sharing and turn taking.
- Science: Materials.
- PE: Increasing our fitness and moving safely in a variety of ways.
- Art: Colour mixing and self-portraits.

## Homework Expectation

Reception and Year One will bring home their phonetically matched reading book on a Wednesday. It **MUST** be returned to school on **FRIDAY** please. Reception parents should attend the meeting on Monday 12<sup>th</sup> September to find out how we teach reading.

All children are encouraged to take a book from our class library and change it as often as they like. More information about reading for pleasure will be shared in a meeting on 4<sup>th</sup> October (tbc).

Further information regarding Maths homework to follow.

## Communication

Don't forget to follow our Twitter page to get regular snapshots of life in Rocket Class!

An email is sent each week from the school office with reminders of things parents need to know for the week ahead.

Any letters are always sent out by email; for ease, these are also uploaded to the letters section of the website for future reference.

There is a 'whole school news' section on the front page of the website, which has up to date articles added for parents. This can be accessed by scrolling down the page. The latest articles will always appear at the top.

Newsletters are sent each half term.
