Forest Schools

Dear Parents/Carers,

Forest schools sessions restarted this week with the Panthers and they had a fantastic time down in the forest. Take a look at the Panther Class page to see some pictures of what they got up to. Next week will see the turn of the Tigers down to the forest with Madeleine for the children that are in school.

We will continue alternating each week up until the end of the school year. Please see the table below to see which dates your child's Class will be going down. We are hoping to have the whole school down to the forest together for the final week of term in July but this will be dependent on COVID regulations nearer the time. We will let you know before the last week who will be going down once we have a clearer picture of what the pandemic situation at that time.

I have attached a kit list to the email to remind you of what is needed when the children are going down to the forest. It is vital that children have wellies and waterproofs. We do have some spares at school but not enough for every child.

If you have any queries about Forest Schools please do not hesitate to contact your child's class teacher.

Kind regards

Miss Asker
