Week beginning 18th July

Extreme weather event

As you will be aware, there is an extreme heat wave predicted for early next week.

School will be putting in place the following measures:

Early morning playtimes.

Playtimes or outdoor working after 10.30am will be in the shade.

There will be no fitness breaks or PE on days these days.

The children will have hydration breaks each half hour during the school day.

The classrooms will be well ventilated and shaded as much as possible; classes who have classrooms which are naturally warmer will be relocated to the hall.

We ask that parents ensure their child wears high factor sun cream and brings a hat and a water bottle for these days.
