Safeguarding, health and Wellbeing Updates

We are aware that some of our older children are using Fortnite. Chapter 4 has just been released, which means that many children are going to be talking about this. Similarly, some children who grew bored with Chapter 3 are going to be checking out the new Chapter 4. So now is a good time for parents to revisit those parental controls to set up the game and devices appropriately to the age of the child. There is a step-by-step guide to setting up parental controls on Fortnite [here](#) and attached.

Have a lovely weekend.
